

Micro Wire Stripper

New Product Information

Brand	Description	Item	Color
	Micro Wire Stripper	MWS-M10	Black
		MWS-M20	Blue

Purpose

This is the tools for cutting and stripping of KV/KIV wires (Vinyl insulated wires for electrical equipment) such as various electronic wires, IV wire, VSF wire and VA wire.

MADE IN JAPAN

Features

1. The blade is the highly accurate circular shape.

The blade is a perfect circular shape that matches the core diameter of the wire, it can be peeled off with little force without damaging the core wire.

2. Lightweight 100g, compact size.

With slim shape, it is easy to take out and does not get in the way when you store in waist bag.

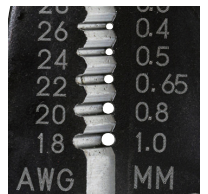

3. mm, mm² Conversion Table on the grip.

Conversion table on the grip that shows the hole diameter used for at a glance.

4. With stopper to protect the blade during storage.

Easy to lock with one hand when not in use.

5. With this one, you can “Grab”, “Bend”, “Cut”.
